

2015 Fact Sheet

Brand Energy & Infrastructure Services is a foremost provider of specialty services for the global energy, industrial, and infrastructure markets. The Company's broad portfolio of integrated services includes, scaffold services and access equipment, abatement, corrosion protection, coating and painting, CUI Management, insulation, fireproofing, refractory, mechanical services, engineering, and formwork and shoring systems. Customers benefit from a closely knit network of over 260 branches in 30 countries across the world. Brand's workforce of 22,000 generates annual sales of around \$3 billion, roughly 80 percent from services to the energy sector and industry. A large portion of recurring revenue is derived from ongoing maintenance work.
